Re: Asbestos Disposal Sites  
Millington, NJ

Dear Nigel:

As we discussed in our phone conversation on September 29, 1986, we will be collecting potable well samples at residences near the Great Swamp, White Bridge Road, and New Vernon Road Sites. Samples will be collected from the three residences in closest proximity to each of the sites. In addition, we will collect a background sample.

Sincerely,

FRED C. HART ASSOCIATES, INC.
